Treasurer's Report.

TREASURER'S OFFICE, N. C. RAIL ROAD Co., COMPANY SHOPS, N. C., June 27, 1873.

To the Stockholders of the North Carolina Railroad Co.:

Gentlemen: I herewith submit to you the annual report of the financial condition of the North Carolina Rail Road Company for the fiscal year ending the 31st of May, 1873.

RECEIPTS AND DISBURSEMENTS.

During the fiscal year the receipts from all sources have been \$302,805.06, and the amount paid out on expenses, bonds and other liabilities of the Company, \$328,488.09, which will be found fully set forth in the accompanying tables.

FINANCIAL CONDITION NOW AND ONE YEAR AGO.

The debt of the Company reported and entered on the books of the Company on the 31st of May, 1872, as shown by the books of the Secretary, was \$598,121.26, to which add \$40,990.24 of old debts, not reported and entered on the books of the Company, but which have been paid during the year, we have the total debt of the Company on the 31st of May, 1872, \$639,111.50, of which amount there has been paid during the year \$147,132.26, leaving the debt of the Company, as shown by the books of the Secretary, on the 31st of May, 1873, \$491,978.24, which amount may

be reduced by assets \$81,362.09, and the probable deduction on negro bonds of \$24,000.00, leaving a balance to be paid of \$386,616.15.

The general exhibits of the business of the Company for the fiscal year shows a decrease of the debt of the Company of \$349,350.02.

The total bonded debt of the Company under mortgage is \$396,000.00, of which amount \$1,000.00, is in five year bonds, \$185,000.00 in ten year bonds, and \$210,000.00 in twenty year bonds. There remains unpaid of the loan of March 1st, 1857, \$38,500.00. The Company has paid during the fiscal year \$3,500.00 of these bonds.

There are several suits now pending in the courts against the Company for damages of person and property, which probably will be settled during your next fiscal year.

Respectfully submitted,

Report of Finance Committee.

Office North Carolina Railroad Company, Company Shops, June 27th, 1873.

To the Stockholders of the North Carolina Railroad Co.:

The Committee of Finance in performing the duty required of them, have examined the accounts of the Treasurer and Secretary, and find them properly kept and the charges supported by proper vouchers. The whole of the 5-year bonds have been paid by Gov. Graham, the Trustee, and there are now outstanding of the 10-year bonds due Nov. 1st, 1877, \$185,000, and of the 20-year bonds due Nov. 1, 1888, \$210,000. Of the bonds of 1857, due in 1867, the amount of about \$38,500 remains unpaid. The interest on this last class of bonds has nearly all been paid. But as the holders of these overdue bonds do not present them for payment, and, as it is in the judgment of your Committee desirable to have all these bonds retired, we recommend that your Treasurer be directed to give notice in several newspapers that this class of bonds must be presented for payment by the first of September next, and that no interest will be paid on these overdue bonds after that day.

Your Committee would repeat the recommendation of your last Committee of Finance, in regard to making application to the Legislature to allow the *preferred* stock of the State, amounting to one million of dollars, become common stock.

Very respectfully submitted,
